Dear People of God,

In Presiding Bishop-Elect Michael Curry's sermon at the closing Eucharist at General Convention on July 3, 2015, he reminded the assembled crowd,

*"We are part of the Jesus Movement, and that movement cannot be stopped because we follow a Lord who defeated death and follow a Lord who lives. We are part of the Jesus Movement, and he has summoned us to make disciples and followers of all nations and transform this world by the power of the Good News, the gospel of Jesus."*

What a powerful reminder! All too often we adopt labels like "conservative" or "progressive" or "liberal" with all the baggage that those terms convey. Such labels divide us and keep us from working together, worshipping together and working together. Such labels keep us from the tasks at hand, *"to make disciples"* and *"transform the world."*

Think how much healthier the church would be if we united under a unified banner and said that simply, we are part of the Jesus Movement rather than belonging to this or that label! Imagine a church that was not divided by labels, agendas or politics! I cannot help but think that it would be a leaner, healthier church. I think I am going to try that for awhile- when someone asks for my pedigree- I think I am going to say, "I am part of the Jesus Movement, how about you?"

Faithfully,

*Fr. Scott*

Please join us for coffee hour in the meeting room following the worship service.
