Dear People of God,

It is hard to believe, but as I write this column for the FYI, I am reminded that my first day on the job as Rector of St. David's by the Sea Episcopal Church was five years ago- August 1, 2010! It has been my honor and pleasure to serve in this capacity and to be grafted into this community of faith. Thank you for welcoming La Nora and me!

Five years ago the thought of renovating and adding on to the facility was the farthest thing from my mind. Financial concerns, viability worries, plumbing and electrical problems, and an unclear vision for the future were my top agenda items. The Vestry and I have worked hard to fashion a ministry and a vision that are focused on hands-on outreach, sound Christian education, faithful worship, fiscal stewardship, and staying consistent with our Episcopal traditions and values. God has been SO GOOD! The Lord has blessed our prayers and efforts.

Day by day we watch as our future church home take shape. This coming week, the sheetrock will be installed and finished in the nave, the remaining AC units will be installed in the space above the narthex, the preliminary wiring for the new facility and lighting will be installed. The forms for the concrete parking lot and driveway will be set to make ready for the massive concrete pouring that will turn our mud-pit into a driveway and parking lot.

Now is the time to dream about what God has in store for St. David's by the Sea in the coming years. Pray that the good work that has begun, will continue to touch lives by the power of the Risen Christ!

Faithfully, **Fr. Scott +**

Please join us for coffee hour in the meeting room following the worship service.

*One of my favorite songs on the radio is Colton Dixon's "Through all of it" here are the lyrics*  
**"Through All Of It"**

There are days I've taken more than I can give, And there are choices that I made, That I wouldn't make again, I've had my share of laughter, Of tears and troubled times, This is has been the story of my life

*(refrain)* I have won and I have lost, I got it right sometimes, But sometimes I did not, Life's been a journey, I've seen joy, I've seen regret, Oh and You have been my God, Through all of it

You were there when it all came down on me, And I was blinded by my fear, And I struggled to believe, But in those unclear moments, You were the one keeping me strong, This is how my story's always gone *(refrain)*

And this is who You are, More constant than the stars up in the sky, All these years of our lives I, I look back and I see You, Right now I still do And I'm always going to. *(refrain)*

Oh and You have been my God, Through all of it  
 Oh and You have been my God Through all of it  
 Oh and You have been my God through all of it.
