Dear People of God,

This week I went to Atlanta to see some old friends who had recently moved back to the Atlanta area from Dallas, Texas. La Nora is still in Georgia helping them unpack from the move. We spent most of our time together laughing, recalling old times, and most importantly recalling old stories. We have been good friends with these folks for over 20 years and have many stories to tell!

Stories have a way of sharing deep meaning. They convey powerful truths. These pithy collections of words cement us together in friendship and solidarity that keep us connected in the Lord. We have laughed and cried together, attended funerals of loved ones, and struggled through raising children.

Is it any wonder that Jesus used stories to convey deep spiritual truths? One cannot read the parables or other stories in scripture without seeing the power and significance of his transforming love. We need only say phrases like “the good Samaritan” or “the persistent widow” or “the house built on the sand,” to realize that in these timeless stories- the lives and words of people are intertwined in truth and love.

So next time you hear a story- listen deeply! Listen beyond the facts and the who, what, when, where and why. You just might hear profound truth- and be cemented together with others that God has placed in your life.

Faithfully,  
**Fr. Scott +**

Please join us for coffee hour in the meeting room following the worship service.

### **St Barnabas Ministry**

A number of people who are members of our special church congregation are receiving some special loving care by a small group of volunteers who are a part of the St. Barnabas Ministry. The St. Barnabas Ministry brings companionship, friendship and love to members of our church community who, because of age or illness can no longer attend church on a regular basis or participate in The Holy Eucharist at St. David's Sunday or Wednesday services. They bring flowers, Fr. Scott's cookies, FYIs, the Church bulletin, photographs, and a bit of time for conversation to our St. Barnabas recipients. Our St. Barnabas volunteers are making a difference and on behalf of all I would like to give them a heartfelt thank you for what they are doing. If you would like to be a part of this ministry please contact Jeanne Weaver (home: 613-2403).
